THIS MONTH

This month our students have been having a blast as they wrap up their 2022! From our Winter Carnival, to sports practices, our students are ready for the new year!

REMINDERS

Students are accountable for their own homework. We regularly communicate with teachers to stay up to date on homework, however we expect students to uphold their integrity and begin their homework when asked.

NEW YEAR, NEW PROGRAM

As we approach 2023, Mr. K and the rest of the Northwood team are working super hard to make the rest of this school year as fun and comfortable as possible!

Northwood's Expanded Learning strives to provide a safe and supportive environment while promoting active and engaged learning through enrichments. We thrive in supporting our students academically, physically and emotionally in addition to encouraging our youth to utilize their voices throughout the program. Our enrichments provide endless opportunities for fun, growth and learning.

DECEMBER RECAP!

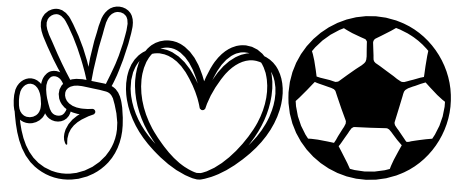

We had a blast at our Winter Carnival! Thank you to the families and our hard working students for joining us!

A special shoutout to our friends who earned the opportunity to pie Ms. Santana and Mr. K.
